Everyone enjoys the Homecoming Dance.

Paul and Randy show how it's done on 'Solid Gold'.

The purpose of Valerians is to help serve the people around us and in other parts of the world. This year, Valerians have been very active in school and community projects. We sent Friendship Boxes to foreign children at Christmas, and adopted a young boy in India. For our community, we visited Shand's Teaching Hospital, make regular visits to Bishop Gray Inn and painted the ticket booths at the football field. For our school, we co-sponsored the Homecoming Dance, sold Creepy Greetings and Valeriantines, treated the faculty to goodies monthly and donated to the beautification of our school. This year, we had a lot of fun along with working hard. We would like to thank Mrs. Davis, our sponsor, for making this year's Valerians possible.

"The tree's done, now let's decorate Wild Cat!"

Mrs. Davis, alias 'Miss Foxy', dances the spotlight dance.

Although this year's Key Club has undergone a change, the word for Key Club this year is still service. Our past sponsor Barry Tosh left for another job and was replaced by Rick Williams as new sponsor. So far the Key Club has had a car wash, donated blood, held a Mr. Macho and Ms. Foxy contest to raise money for charity, co-sponsored the homecoming dance with Valerians, and during Key Club week did slave labor for the teachers. Kiwanis meetings were attended regularly and scrimmaged the girls volleyball team. Later in the year Key Club plans to hold a Skate-a-thon to raise money for M.D.

VARSITY CHEERLEADERS

The cheerleaders kept busy all season leading pep rallies, keeping the crowds fired up at the football games, and cheering on the basketball team. These girls represented our school at the ICF Cheerleading Camp in Gainesville this summer, where they received eight squad ribbons, four individual achievement ribbons, and competed in Grand Champions to win a blue ribbon. Also, combined with J.V., they were the only squad to win the spirit award every night and was able to bring back the spirit Firecracker Award. Congratulations Girls on a job well done!

FINNISH STUDENT VISITS HORNETS

In Finland I lived in a small town called Iittala and so it has been very easy to adjust to living in a small community like Haines City. The friendliness and generosity of people have been nice to notice and, I guess, after this year I am a bit of a southerner myself.

Coming to this school as an exchange student was quite a challenge to me. I wasn't sure about my language, but soon I found that with the warmth and openness found in H.C.H.S things can be done inspite of the language and cultural differences. I want to thank both the teachers and the students for their help and understanding.

You have been great people to live and study with, and, I have learned many new things during my stay here. I hope that I, in my part, have been able to bring my country a little bit closer to you.

Last, I want to say my best thanks to Nancy March and Mabelle Myers for their help and guidance.

Now, this is how a plant pollinates!

Help me! My shirt is exploding!

I am happy! I did my homework for today.

Is this any way to celebrate the Fourth of July?

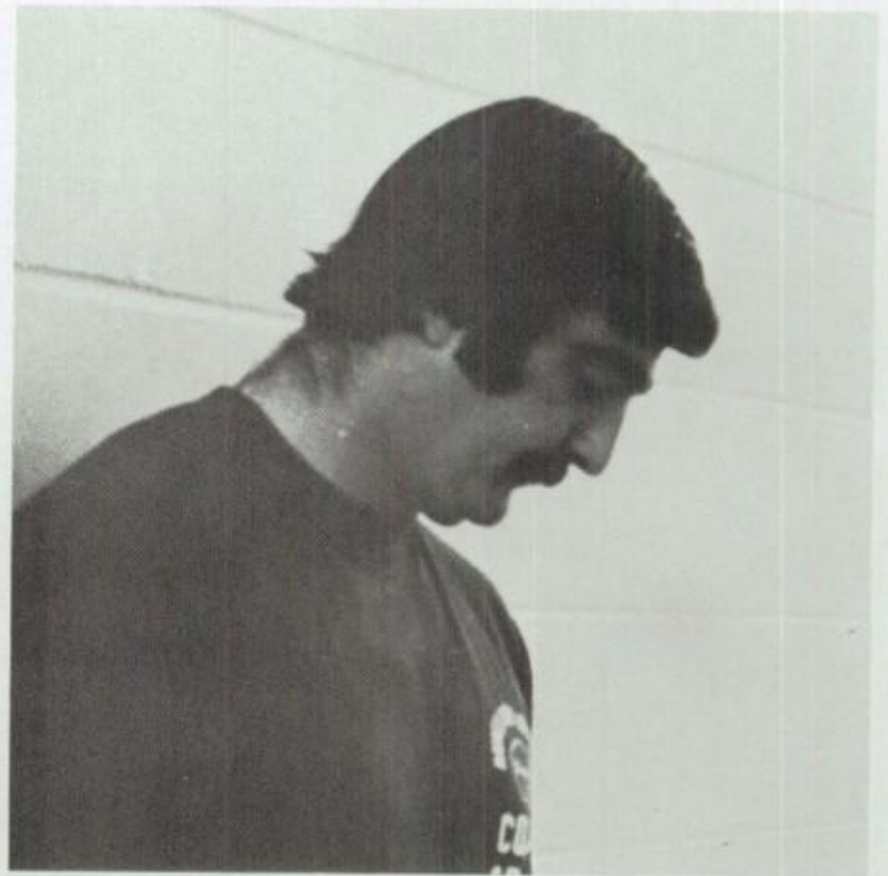

Please sit down; this is no time to riot!

Long distance is cheaper on the weekends so reach out!

Haines City's finest toots for victory

A time to laugh; a time to cry . . .

Make it quick, someone's coming

Things are rough all over

Double your pleasure

We want a touchdown

This is the way Pinky taught us

This time we screech it out

Terrible confusion

Have you seen Gary?

This tastes just like chicken.

*Have
a nice
summer,
J.P. Hayes*

They don't call me 'Slam Dunk' for nothing

I've got a new watch!

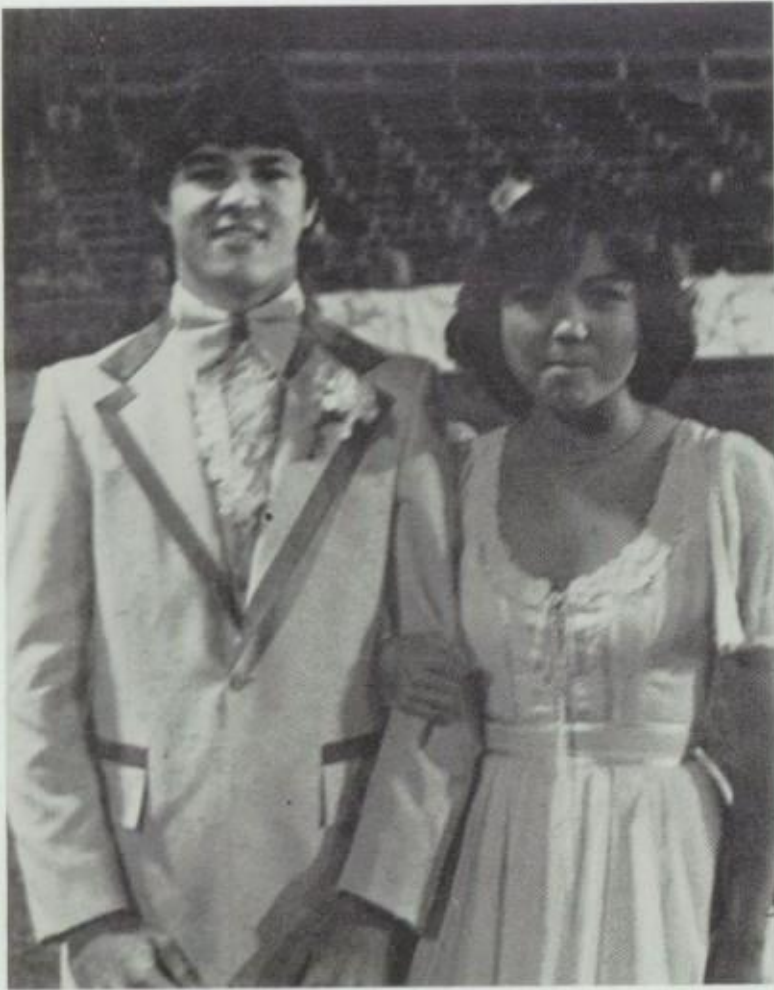

Was that the late bell?

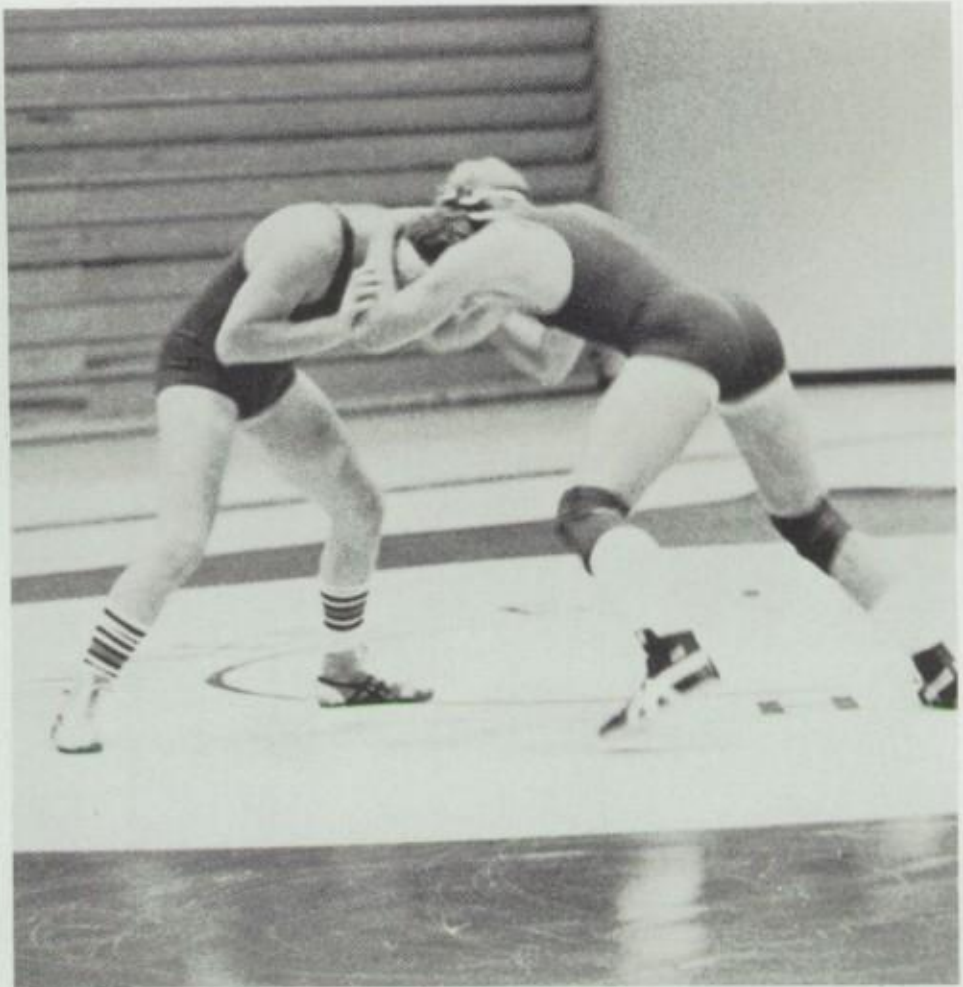

Those things don't photograph!

Where that ball be?

After

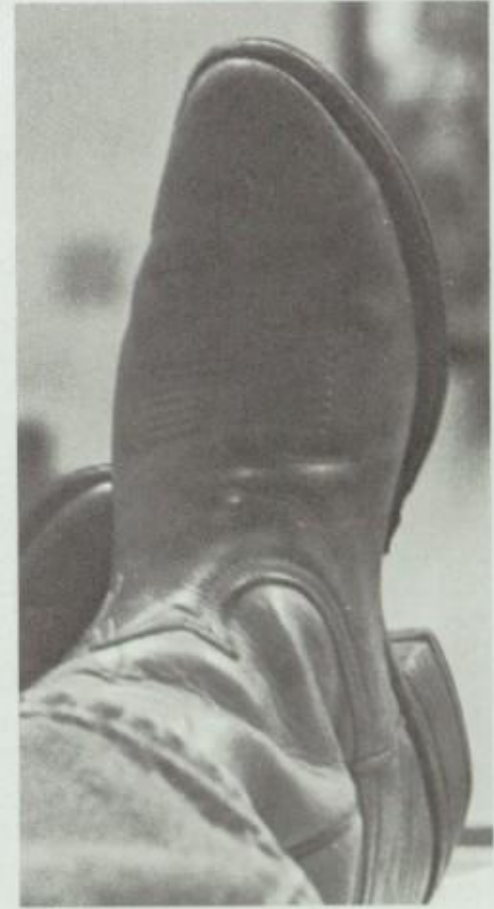

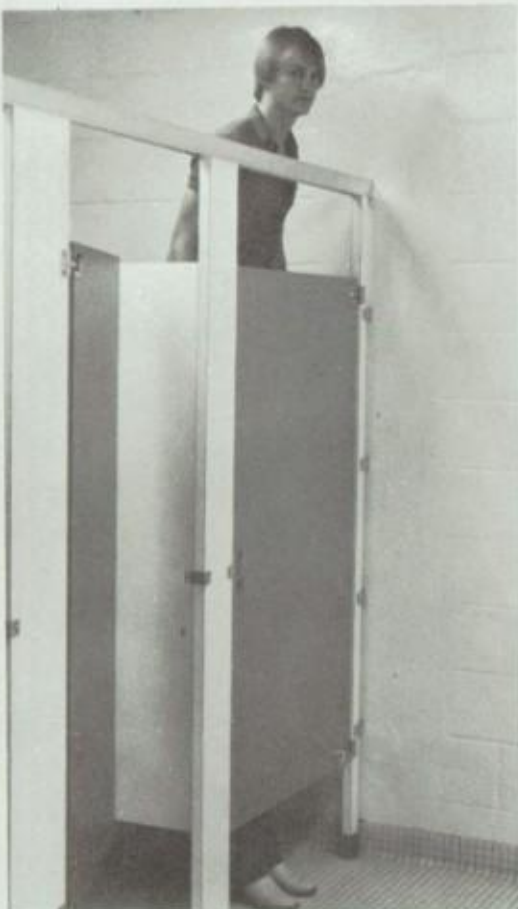

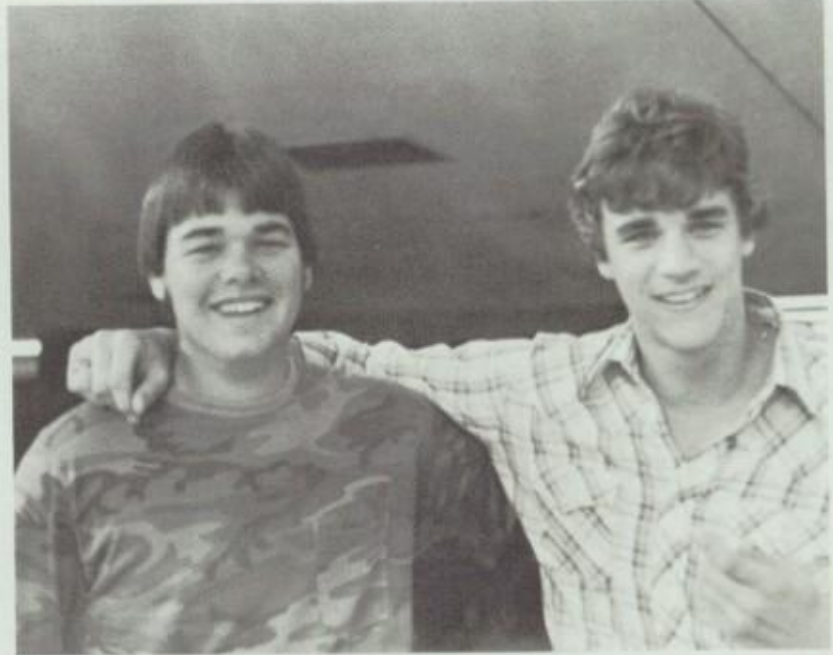

Don't you wish they all could be California girls?

Answer me when I ask you alright!
